## **44<sup>th</sup> EARSeL General Assembly and 40<sup>th</sup> Annual Symposium**

**Wednesday, 09 June 2021 from 4:00 - 6:00 pm (virtual only)**

Dear Colleagues,

Since our last annual meeting in Salzburg in July 2019, the world has changed dramatically due to the Covid-19 pandemic: well-known habits of handshakes or hugs disappeared and behaviour in public changed in a very short time. Furthermore, travel restrictions for airlines and railways and the closing of national borders made the normal personal exchange for any scientific, economic, or social reasons impossible. EARSeL had to react in the way that the Joint workshop in Liège and the 40<sup>th</sup> Annual Symposium in Warsaw had to be postponed. This postponement was also applied to the election of the Bureau offices, the SIG chairperson elections, the Council Meeting, and the General Assembly with the effect that the service period of the Bureau as well as the reporting period of the treasurer were also extended to June 2021.

After our very positive experience with the virtual format of the Joint workshop in Liège, we are convinced that the virtual 40<sup>th</sup> Annual Symposium in Warsaw from 7<sup>th</sup> - 10<sup>th</sup> June will also be successful. We cordially invite you to the 44<sup>th</sup> General Assembly and 40<sup>th</sup> Annual Symposium of our Association, organised by Prof. Bogdan Zagajewski of the University in Warsaw, taking place in virtual format only.
